FOUNDER STORY

Majestic AR Technology Pvt. Ltd. was founded by **Mr. Aakash Goyal** with a vision to build a reliable and future-ready manufacturing company that empowers industries with high-quality metal fabrication and storage solutions.

With over 11 years of trading experience and more than 2 years in manufacturing, he has developed deep expertise in raw material procurement, product design and large-scale production solutions.

His customer-centric approach, strong technical knowledge and commitment to quality have helped Majestic AR become a trusted partner for businesses across India.

> *"Building Stronger Industries for a Brighter Tomorrow."*

KEY HIGHLIGHTS

- **200+** Crore Turnover
- **250+** Employees
- **11+ Years** of Trading Experience
- **4+ Years** of Manufacturing Experience
- **2** Manufacturing Units
- **3** Trading Units (M.S. & S.S. PAN India)

Quality Assurance | Customized Solutions | Innovation Driven | Strong Industry Expertise | Long-Term Partnerships

MAJESTIC AR TECHNOLOGY PVT. LTD.

ABOUT US

Majestic AR Technology Pvt. Ltd. was established in **2015** with a vision to deliver high-quality metal fabrication and storage solutions for industries across India. With in-house design, R&D, manufacturing and a strong supply network, we provide reliable, customized and cost-effective solutions to meet diverse industrial needs. Over the years, we have built long-term relationships with clients through our commitment to quality, timely delivery and continuous innovation.

2015
Year of Establishment

4+ Years
of Manufacturing Experience

11+ Years
of Trading Experience

Pan India
Supply Network

WHY MAJESTIC AR TECHNOLOGY?

In-House	In-House	24 Hour	Strong
Design & R&D Team	Production & Quality Team	Dispatch of Trading Items	After Sales Service

VISION & PHILOSOPHY

Our Vision
To be a trusted partner in building stronger industries through high-quality and innovative metal solutions.

Our Philosophy
We believe in delivering superior quality products at competitive prices while maintaining integrity and long-term relationships.

QUALITY PRODUCTS WITH PRICE COMPETITIVENESS

Our Strength
Continuous innovation, advanced manufacturing capabilities and a customer-centric approach.

Our Ethos
We work with honesty, excellence and a commitment to provide the best quality to our customers.

PAN INDIA PRESENCE

We Supply & Serve **Across India**

Manufacturing Unit | Stockist | Pan India Supply

CORE VALUES

Integrity
We do what is right

Excellence
We strive for the best

Innovation
We always find better ways

Empowerment
We grow together

MAJESTIC AR TECHNOLOGY PVT. LTD.

Where Innovation Meets Precision

IN-HOUSE MACHINERY

Advanced Machinery for Precision Manufacturing

01 CNC LASER CUTTING MACHINE
3 kW

02 CNC BENDING MACHINE - 1
ENERGYMISSION

03 CNC BENDING MACHINE - 2
ENERGYMISSION

04 CNC BENDING MACHINE - 3
HACO

05 CNC BENDING MACHINE - 4
TANDEM

06 SHEARING MACHINE

07 POWER PRESS
Up to 250 Ton Capacity

MAJESTIC AR TECHNOLOGY PVT. LTD.

Where Innovation Meets Precision

SINCE 2015

A journey of quality, innovation and trusted partnerships.

IN-HOUSE MACHINERY

Advanced Machinery for Precision Manufacturing

07 ROLL FORMING MACHINE

Manufacturing of Slotted Angle, Upright, MKM & Omega Sections

PRODUCTS

SLOTTED ANGLE

UPRIGHT

MKM SECTION

OMEGA SECTION

08 CNC MILLING (CTL)

High precision machining for accurate components

09 VERTICAL MILLING MACHINE

Precision vertical machining for custom components

10 TIG / MIG WELDING MACHINE

SS & MS fabrication with strong and clean welds

11 POWDER COATING PLANT

Automatic coating line for superior finish

12 SPOT WELDING MACHINE

Panels & enclosures with clean and strong joints

COMPLETE IN-HOUSE PROCESS
From raw material to finished product

BETTER QUALITY CONTROL
In-house production at every stage

COST EFFICIENCY
Optimized process and reduced lead time

FASTER TURNAROUND
Higher capacity and on-time delivery

MAJESTIC AR TECHNOLOGY PVT. LTD.

Where Innovation Meets Precision

SINCE 2015

A journey of quality, innovation and trusted partnerships.

POWDER COATING PLANT

Uniform Coating

Advanced Technology

Long-Lasting Finish

Fully automatic powder coating line for superior finish, durability and corrosion resistance.

01

LOADING & HANGING

Sheets are loaded and hung on automatic line for coating.

02

PRE-TREATMENT & CLEANING

Multi-stage cleaning process to remove oil, dust and impurities for better coating adhesion.

03

AUTOMATIC POWDER COATING BOOTH

Uniform and high-quality powder application with advanced guns.

04

CURING OVEN

Controlled high-temperature curing for strong, durable and smooth finish.

SUPERIOR SURFACE FINISH
Smooth, durable and uniform coating

CORROSION RESISTANCE
Longer life and better protection

WIDE RANGE OF COLOURS
Custom coating options

EXPERIENCED TEAM
Skilled professionals at every stage

MAJESTIC AR TECHNOLOGY PVT. LTD.

Where Innovation Meets Precision

SINCE 2015

A journey of quality, innovation and trusted partnerships.

POWDER COATING PLANT

- Uniform Coating
- Advanced Technology
- Long-Lasting Finish

05 CURING OVEN

High temperature curing for strong, durable and smooth finish.

06 FINISHED PRODUCTS

High-quality powder coated sheets with smooth and premium finish.

07 QUALITY CHECKING

Inspection and quality check to ensure uniform coating and flawless finish.

08 UNLOADING & HANDLING

Careful unloading and handling of coated sheets using proper safety measures.

09 FINAL OUTPUT

Powder coated sheets ready for dispatch with consistent colour and finish.

SUPERIOR SURFACE FINISH
Smooth, durable and uniform coating

CORROSION RESISTANCE
Longer life and better protection

WIDE RANGE OF COLOURS
Custom coating options

EXPERIENCED TEAM
Skilled professionals. at every stage

520 FT LONG AUTOMATIC POWDER COATING LINE WITH ROBOTIC ARM

MAJESTIC AR TECHNOLOGY PVT. LTD.

Where Innovation Meets Precision

SINCE 2015

A journey of quality, innovation and trusted partnerships.

MS SHEET METAL FABRICATIONS

CABINETS & ENCLOSURES

Custom Designs | High-Quality Fabrication | Durable & Reliable

ELECTRICAL PANEL CABINETS

For power distribution and control systems.

CONTROL PANEL CABINETS

Custom built for industrial automation.

OUTDOOR CABINETS

Weatherproof enclosures for outdoor installations.

DATA CENTER CABINETS

Racks and enclosures for IT infrastructure.

TELECOM CABINETS

Reliable enclosures for communication systems.

WALL MOUNT CABINETS

Compact and space-saving solutions.

MODULAR CABINETS

Flexible and scalable designs.

INDUSTRIAL CABINETS

Rugged enclosures for heavy-duty applications.

CUSTOMISED CABINETS

As per specific project requirements.

PRECISION FABRICATION
High accuracy and perfect fit

WIDE RANGE OF DESIGNS
Standard and customised options

DURABLE & LONG LASTING
High quality MS sheet with superior finishing

EXPERIENCED TEAM
Expertise in complex fabrication projects

MAJESTIC AR TECHNOLOGY PVT. LTD.

Where Innovation Meets Precision

SINCE 2015

A journey of quality, innovation and trusted partnerships.

SHEET METAL FABRICATIONS

TANKS, BATTERY BOXES, INVERTER BOXES & ELECTRICAL PANELS

- Custom Designs
- High-Quality Fabrication
- Strong & Durable

TRANSFORMER TANKS

Robust MS tanks for power transformers with precision fabrication and leak-proof design.

OIL STORAGE TANKS

Custom MS tanks for industrial oil storage applications.

DIESEL STORAGE TANKS

Durable MS tanks for diesel storage with various capacity options.

HORIZONTAL TANKS

Heavy-duty MS tanks for industrial and utility applications.

VERTICAL TANKS

MS vertical tanks with custom sizes and fittings.

PROCESS TANKS

Fabricated MS tanks for process and chemical applications.

BATTERY BOXES

MS battery boxes for various battery sizes with proper ventilation and cable access.

INVERTER BOXES

Custom MS enclosures for inverters with ventilation and mounting options.

UPS BOXES

Sturdy MS boxes for UPS and backup power systems.

ELECTRICAL PANEL ENCLOSURES

MS enclosures for power distribution and control panels.

JUNCTION BOXES

MS junction boxes for electrical connections and distribution.

OUTDOOR ELECTRICAL BOXES

Weatherproof MS enclosures for electrical applications.

PRECISION FABRICATION
High accuracy and perfect fit

WIDE RANGE OF DESIGNS
Standard and customised options

DURABLE & LONG LASTING
High quality MS sheet with superior finishing

EXPERIENCED TEAM
Expertise in complex fabrication projects

MAJESTIC AR TECHNOLOGY PVT. LTD.

Where Innovation Meets Precision

SINCE 2015

A journey of quality, innovation and trusted partnerships.

SS STEEL FABRICATIONS

STRONG | HYGIENIC | DURABLE | CUSTOMISED DESIGNS

WIDE RANGE OF CUSTOMISED SOLUTIONS AS PER YOUR REQUIREMENTS

SS COUNTERS

Custom SS counters for commercial kitchens, restaurants and industrial applications.

SS SHELVES

Wall-mounted and heavy-duty SS shelves for storage and kitchen use.

SS TROLLEYS

Multipurpose SS trolleys for kitchen, hospitality and industrial use.

SS SINKS & WASH UNITS

Hygienic and durable SS sinks for commercial and industrial use.

SS STORAGE RACKS

Heavy-duty SS racks for storage and material handling.

SS LOCKER CABINETS

Secure and durable SS lockers for industrial and commercial spaces.

RAILWAY BATTERY BOXES

Corrosion-resistant SS battery boxes for railway applications.

SS CABLE TRAYS & SUPPORTS

SS cable trays, trunking and supports for electrical installations.

SS HANDRAILS & RAILINGS

Designer and durable SS railings for industrial and commercial buildings.

SS LASER CUT PANELS

Custom laser cut designs for decorative and architectural applications.

SS DUCTING & VENTILATION

Custom SS ducting for HVAC and industrial ventilation systems.

CUSTOMISED SS FABRICATIONS

All types of SS sheet metal components as per specific project requirements.

APPLICATION AREAS

- Industrial Units
- Railway Sector
- Hotels & Restaurants
- Commercial Spaces
- Hospitals & Healthcare
- Food Processing Units
- Architectural Projects

PREMIUM QUALITY SS
SS 304 / SS 316 grades available

CUSTOM FABRICATION
As per specific project requirements

HYGIENIC & RUST RESISTANT
Ideal for food, pharma, railway and industrial use

EXPERIENCED TEAM
End-to-end design, fabrication and installation support

MAJESTIC AR TECHNOLOGY PVT. LTD.

Where Innovation Meets Precision

SINCE 2015

A journey of quality, innovation and trusted partnerships.

- Custom Designs
- High-Quality Fabrication
- Durable & Reliable

SS STEEL FABRICATIONS

MORE SOLUTIONS FOR EVERY INDUSTRY

03 PAGE

PRECISE FABRICATION | PREMIUM FINISHING | INDUSTRY-SPECIFIC SOLUTIONS

SS FOOD SERVICE EQUIPMENT

Counters, prep stations, ingredient bins and custom food service units.

SS DISPLAY COUNTERS

Custom display counters for retail, bakery and food outlets.

SS WALL CABINETS

Hygienic storage cabinets for kitchens, labs and industrial use.

SS SHELVING UNITS

Multi-tier shelving units for storage and organisation.

SS BAKERY RACKS

Tray racks for bakery, hotels and food processing units.

SS SERVICE TROLLEYS

Utility and service trolleys for kitchen, hospitality and industrial use.

SS DUSTBINS

Durable and hygienic SS dustbins for commercial and public spaces.

SS HANDWASH & SANITISATION UNITS

Handwash stations, scrub sinks and sanitisation units for hygienic environments.

SS LOUVERED CABINETS

Cabinets with ventilation for electrical and industrial applications.

SS TOILET PARTITIONS

Durable and stylish SS partitions for washrooms and public areas.

SS CLEANROOM EQUIPMENT

Pass boxes, storage units and custom fabrications for cleanroom applications.

CUSTOMISED SS STRUCTURES

Platforms, staircases, frames and other custom SS fabrications.

INDUSTRY APPLICATIONS

- Railway Sector
- Food & Beverage Industry
- Hotels & Restaurants
- Hospitals & Healthcare
- Pharma & Cleanrooms
- Commercial Spaces
- Industrial Units

PREMIUM QUALITY
SS 304 / SS 316 Grades available

CUSTOM FABRICATION

Where Innovation Meets Precision

SINCE 2015

A journey of quality, innovation and trusted partnerships.

DISPLAY RACKS FOR SUPERMARKET

MODERN | DURABLE | CUSTOMISABLE | SPACE-EFFICIENT

Custom Designs

High-Quality Fabrication

Strong & Reliable

GONDOLA RACKS

Ideal for supermarkets and retail stores with flexible shelf configurations.

WALL RACKS

Space-saving racks for efficient product display.

END RACKS

Perfect for promotional and high-visibility product display.

CORNER RACKS

Maximises corner space with stylish display.

ISLAND RACKS

Displays products from all sides for higher visibility.

SLOTTED RACKS

Customisable with shelves, hooks and accessories.

FRUITS & VEGETABLE RACKS

Sturdy and hygienic racks for fresh produce display.

BAKERY RACKS

Specially designed racks for bakery product display.

CHECKOUT RACKS

Compact racks for high-demand impulse products.

PREMIUM FABRICATION
High accuracy and perfect fit

WIDE RANGE OF DESIGNS
Standard and customised options

DURABLE & LONG LASTING
High quality MS/GI with superior finishing

EXPERIENCED TEAM
Expertise in retail and industrial racking solutions

MAJESTIC AR TECHNOLOGY PVT. LTD.

Where Innovation Meets Precision

SINCE 2015

A journey of quality, innovation and trusted partnerships.

SLOTTED ANGLE RACKS

ECONOMICAL STRONG & VERSATILE STORAGE SOLUTION

- Custom Sizes
- High Load Capacity
- Easy to Install
- Adjustable Shelves
- Durable MS/GI Construction

INDUSTRIAL STORAGE RACKS

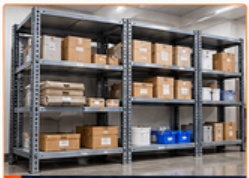
Ideal for warehouses, factories and general storage applications.

SMALL PARTS STORAGE

Perfect for storing nuts, bolts, fasteners and other small components.

BIN STORAGE RACKS

Compatible with plastic bins for organized storage of small items.



GENERAL PURPOSE RACKS

Suitable for cartons, tools, spares, stationery and miscellaneous items.

ADJUSTABLE SHELVES

Flexible shelf height for different storage needs.

L-SHAPE RACKS

Maximises corner space for efficient storage.

COST-EFFECTIVE
Budget-friendly storage solution

MODULAR DESIGN
As per your space requirements

STRONG & DURABLE
High quality MS/GI with powder coating

IDEAL FOR MULTIPLE INDUSTRIES
Warehouses, factories, offices, retail and workshops

MAJESTIC AR TECHNOLOGY PVT. LTD.

Where Innovation Meets Precision

SINCE 2015

A journey of quality, innovation and trusted partnerships.

PALLET STORAGE SYSTEM

OPTIMISED STORAGE FOR HIGHER EFFICIENCY

- High Load Capacity
- Robust & Durable Design
- Custom Configurations
- Safe & Stable Storage
- Easy Installation

SELECTIVE PALLET RACKS

Most popular and versatile pallet storage system for easy access to each pallet.

DOUBLE DEEP PALLET RACKS

Ideal for high-density storage with reduced aisle space.

NARROW AISLE PALLET RACKS

Maximises storage capacity with minimal aisle width.

DRIVE-IN PALLET RACKS

High-density storage for large quantities of similar products.

DRIVE-THROUGH PALLET RACKS

Efficient for FIFO/LIFO inventory management.

CANTILEVER PALLET RACKS

Suitable for long and bulky items like pipes, sheets and timber.

MOBILE PALLET RACKS

Space-saving solution with movable racking units.

PALLET FLOW RACKS

Gravity-based system for smooth and automated inventory flow.

MEZZANINE PALLET RACKS

Multi-level storage solution to maximise vertical space.

OPTIMISED SPACE USAGE

Maximise storage capacity efficiently

HEAVY-DUTY CONSTRUCTION

High quality MS/GI with powder coating

CUSTOM SOLUTIONS

As per your space and load requirements

EXPERT SUPPORT

Design, fabrication and installation assistance

MAJESTIC AR TECHNOLOGY PVT. LTD.

Where Innovation Meets Precision

SINCE 2015

A journey of quality, innovation and trusted partnerships.

MEZZANINE FLOOR

CREATE EXTRA SPACE WITHOUT EXPANDING YOUR BUILDING

- Maximised Space Utilisation
- Robust & Durable Design
- High Load Capacity
- Custom Configurations
- Easy Installation

MEZZANINE FLOOR SYSTEM

A cost-effective solution to create additional floor space for storage, office or operational use within the same building.

STORAGE MEZZANINE FLOOR

Ideal for increasing storage capacity with safe and sturdy construction.

OFFICE MEZZANINE FLOOR

Create additional office space within your warehouse or facility.

INDUSTRIAL MEZZANINE FLOOR

Suitable for warehouses, factories and manufacturing units.

MULTI-LEVEL MEZZANINE FLOOR

Customisable multi-level solutions for higher storage capacity.

MEZZANINE FLOOR WITH CONVEYOR

Perfect for integrated storage and material handling operations.

CUSTOM DESIGN OPTIONS

Designed as per your space, load and operational requirements.

STAIRCASES & SAFETY RAILINGS

Strong, safe and durable accessories for complete safety.

HEAVY DUTY FLOOR DECKING

High strength steel flooring for long-lasting performance.

SPACE EFFICIENT

Get more usable space without extra construction.

FLEXIBLE DESIGN

Customised as per your business needs.

STRONG & DURABLE

High quality MS/GI with powder coating.

EXPERT SUPPORT

End-to-end design, fabrication and installation.

MAJESTIC AR TECHNOLOGY PVT. LTD.

Where Innovation Meets Precision

SINCE 2015

A journey of quality, innovation and trusted partnerships.

MULTI-TIER RACKING SYSTEM

MAXIMUM STORAGE SPACE WITH SMART DESIGN

- Optimised Space Utilisation
- Custom Designs
- High Load Capacity
- Strong & Durable Construction
- Easy Installation

MULTI-TIER RACKING SYSTEM

A smart storage solution to multiply your storage capacity by creating multiple levels within the same space.

2-TIER RACKING SYSTEM

Ideal for medium storage requirements with efficient use of height.

3-TIER RACKING SYSTEM

Maximises vertical space for higher storage capacity.

MULTI-LEVEL STORAGE

Create additional floors to store more inventory in the same footprint.

MEZZANINE FLOORS

Customisable platforms for storage, picking and operational areas.

STAIRCASES & ACCESSORIES

Safe and sturdy staircases, handrails and safety barriers.

INTEGRATED SOLUTIONS

Can be combined with shelving, pallet racks and conveyor systems.

CUSTOM CONFIGURATIONS

Designed as per space, load and industry requirements.

IDEAL FOR MULTIPLE INDUSTRIES

Suitable for warehouses, distribution centres, manufacturing units, retail and more.

SPACE EFFICIENT
Get more storage in the same area

MODULAR DESIGN
Flexible and scalable as per your needs

DURABLE CONSTRUCTION
High quality MS/GI with powder coating

EXPERT SUPPORT
End-to-end design, fabrication and installation

MAJESTIC AR TECHNOLOGY PVT. LTD.

Where Innovation Meets Precision

SINCE 2015

A journey of quality, innovation and trusted partnerships.

MS HEAVY FABRICATION

CUSTOM STEEL SOLUTIONS FOR INDUSTRIAL GROWTH

- High Strength
- Robust & Durable Design
- Custom Fabrication
- Safe & Reliable Structures
- End-to-End Support

PEB FABRICATION

Pre-engineered building solutions for warehouses, factories, industrial sheds and more.

STRUCTURE FABRICATION

Custom steel structures for industrial, commercial and infrastructure projects.

PLATFORM FABRICATION

Strong and durable platforms for operational efficiency.

PIPE STRUCTURE

Fabrication of pipe racks and supporting structures for industrial use.

TRUSS & BRIDGE FABRICATION

Custom trusses and bridges for various industrial applications.

STAIRCASE FABRICATION

Durable and safe staircases with handrails and safety barriers.

DUCTING FABRICATION

Industrial ducting solutions for efficient airflow.

TANK FABRICATION

Storage tanks for liquid, chemical and process applications.

SHED & CANOPY FABRICATION

Steel sheds and canopies for versatile industrial use.

CUSTOM SOLUTIONS

As per your project requirements

HEAVY-DUTY CONSTRUCTION

High quality MS/GI with powder coating

ENGINEERED FOR LONG LIFE

Reliable and low maintenance

EXPERT TEAM

Design, fabrication and installation support

MAJESTIC AR TECHNOLOGY PVT. LTD.
Where innovation meets precision

METAL PALLETS & ACCESSORIES

Heavy-duty metal pallets and essential rack accessories to enhance safety, durability and storage efficiency for your warehouse operations.

METAL PALLETS

- HIGH LOAD CAPACITY
- STRONG & DURABLE
- REUSABLE & LONG LIFE
- CUSTOM SIZES & DESIGNS
- POWDER COATED / GALVANISED

POWDER-COATED PALLET

- Strong and durable design
- Suitable for racking & floor storage
- Corrosion resistant powder coating
- Custom sizes available

Material	Mild Steel
Finish	Powder Coated
Load Capacity	500 – 2,000 kg
Size	Customizable

POWDER-COATED PALLET, SLATTED

- Slatted top for better ventilation
- Ideal for dry goods and cartons
- Smooth surface and safe handling
- Available in multiple sizes

Material	Mild Steel
Finish	Powder Coated
Load Capacity	500 – 1,500 kg
Size	Customizable

GI PALLET

- Hot-dip galvanised for long life
- Ideal for cold storage & harsh environments
- Rust and corrosion resistant
- Heavy-duty construction

Material	GI / Galvanised Steel
Finish	Hot-dip Galvanised
Load Capacity	500 – 2,000 kg
Size	Customizable

CUSTOM PALLET DESIGN

- Designed as per product and handling requirements
- Options for mesh, solid or slatted
- Suitable for special applications
- Custom colors and branding

Material	MS / GI / SS (as per need)
Finish	Powder Coated / GI
Load Capacity	As per design
Size	Fully Customizable

RACK ACCESSORIES

- IMPROVED SAFETY
- PROTECTS RACK STRUCTURE
- EASY INSTALLATION
- COST EFFECTIVE
- COMPATIBLE WITH ALL SYSTEMS

COLUMN GUARD

- Protects rack uprights from forklift impact
- Heavy-duty steel construction
- Powder coated for durability
- Suitable for all racking systems

ROW GUARD

- Protects rack rows and assets
- Prevents damage from MHE (forklifts)
- Strong and heavy-duty design
- Custom lengths and heights available

WIRE MESH PARTITION

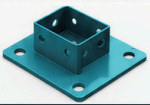
- Creates secure storage areas
- Ideal for separating materials or zones
- Available in MS / GI finish
- Customizable heights and panel sizes

PALLET SUPPORT BAR (PSB)

- Provides additional support to pallets
- Prevents pallet deformation
- Used in pallet racking and heavy-duty racks
- Available in standard and custom sizes

PALLET BACK STOPPER

- Prevents pallets from falling
- Increases safety in high rack levels
- Easy to install
- Available in multiple lengths



BASE PLATE

- Connects rack uprights to the floor
- Strong and stable base support
- Pre-drilled for easy installation
- Available in different sizes and thickness

TROLLEYS, CUSTOMISED

Built to your load, size and workflow, in steel or wire mesh with any colour finish.

MAJESTIC AR TECHNOLOGY PVT. LTD.
Where innovation meets precision

- **HIGH LOAD CAPACITY**
- **CUSTOM SIZES & DESIGNS**
- **MULTIPLE COLOUR OPTIONS**
- **STRONG & DURABLE**

PLATFORM TROLLEY

- Heavy-duty steel platform
- Suitable for boxes, cartons, tools
- Multiple size and colour options
- Optional handle height & wheel type

LOAD CAPACITY	300 – 1,000 kg
PLATFORM SIZE	Customizable
WHEEL TYPE	PU / Nylon / Rubber
FINISH	Powder Coated

MESH-SIDE PLATFORM TROLLEY

- Mesh sides for safe material handling
- Ideal for loose items and components
- Custom height and mesh design
- Strong and durable structure

LOAD CAPACITY	300 – 800 kg
PLATFORM SIZE	Customizable
MESH HEIGHT	300 – 600 mm
FINISH	Powder Coated

ROLL CAGE TROLLEY

- 3-side mesh with openable front
- Ideal for warehouse and retail use
- Easy movement with swivel wheels
- Available in foldable / nestable design

LOAD CAPACITY	300 – 600 kg
OVERALL HEIGHT	1,200 – 1,800 mm
BASE SIZE	Customizable
FINISH	Galvanised / Powder Coated

COLLAPSIBLE MESH CONTAINER

- Foldable design for space saving
- Heavy-duty wire mesh construction
- Ideal for storage and movement of bulk items
- Stackable and easy to handle

LOAD CAPACITY	500 – 1,500 kg
EXTERNAL SIZE	Customizable
MESH TYPE	MS Wire Mesh
FINISH	Powder Coated / Galvanised

BIN TROLLEY

- Ideal for small parts and components
- Multiple bin sizes and configurations
- Mobile and easy to move
- Custom frame and bin colour options

LOAD CAPACITY	100 – 300 kg
BIN CONFIGURATION	Customizable
OVERALL SIZE	Customizable
FINISH	Powder Coated

TOOL TROLLEY

- Drawers and open shelves for tools
- Heavy-duty steel construction
- Lockable drawers (optional)
- Suitable for industrial and workshop use

LOAD CAPACITY	200 – 500 kg
SIZE	Customizable
DRAWERS	1 – 4 (optional)
FINISH	Powder Coated

ORDER-PICKING TROLLEY WITH STEP

- Integrated step for easy picking
- Ideal for warehouses and retail stores
- Strong and stable design
- Custom height and shelf options

LOAD CAPACITY	200 – 500 kg
OVERALL HEIGHT	Customizable
SHELF TYPE	Mesh / MS Sheet
FINISH	Powder Coated

HEAVY PLATFORM TROLLEY

- Extra strong platform for heavy loads
- Ideal for industrial and factory use
- Custom platform size and handle design
- Available with PU / Nylon / Rubber wheels

LOAD CAPACITY	500 – 2,000 kg
PLATFORM SIZE	Customizable
WHEEL TYPE	PU / Nylon / Rubber
FINISH	Powder Coated

HAND PALLET TRUCK

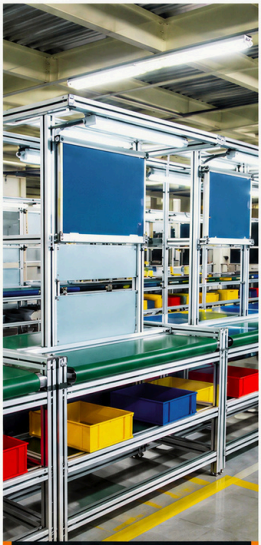
- Easy and smooth material movement
- Suitable for pallets and heavy loads
- Ergonomic handle for safe operation
- Available in different load capacities

LOAD CAPACITY	2,000 – 5,000 kg
FORK LENGTH	900 / 1,150 mm
FORK WIDTH	520 / 685 mm
WHEEL TYPE	PU / Nylon

WORKSTATIONS & ASSEMBLY LINES

100% customisation in dimension, colour and material, from a single bench to a complete line.

MODULAR DESIGN | FULLY CUSTOMISABLE | VARIETY OF MATERIAL OPTIONS | STRONG & DURABLE | SUITABLE FOR MULTIPLE INDUSTRIES



ASSEMBLY LINE

- Complete customised assembly lines
- Integrated with conveyors and workstations
- Suitable for electronics, automotive, pharma and general manufacturing
- Available in different sizes and configurations

FRAME MATERIAL	Aluminium Profile / MS
TABLE TOP	MS / SS / PVC / Laminate
CONVEYOR TYPE	Belt / Roller / Modular
LENGTH	Customizable
WIDTH	Customizable
HEIGHT	Customizable

ALUMINIUM PROFILE WORKSTATION

- Strong aluminium profile structure
- Clean and ergonomic design
- Suitable for assembly, testing and inspection
- Available with drawers, shelves and lighting
- Fully customisable dimensions

FRAME	Aluminium Profile
TABLE TOP	SS / MS / Laminate
SIZE	Customizable
ACCESSORIES	Drawers, Shelves, Light
FINISH	Anodized / Powder Coated

ALUMINIUM PROFILE WORKSTATION

- Ergonomic and efficient design
- Ideal for assembly, packing and testing
- Multiple storage and accessory options
- Adjustable height and layout
- Suitable for ESD and clean environments

FRAME	Aluminium Profile
TABLE TOP	SS / MS / Anti-static Laminate
SIZE	Customizable
ACCESSORIES	Tool Panel, Light, Drawer, Bin
FINISH	Anodized / Powder Coated

PIPE JOINT WORKSTATION

- Flexible and economical solution
- Easy to assemble nre reocofigure
- Suitable for light to medium duty operaions
- Multiple size and colour options
- Ideal for assembly, packing and sorting

MATERIAL	MS Pipe with Joint
TABLE TOP	MS / Laminate / Roller
SIZE	Customizable
COLOUR	Multiple options
APPLICATION	Assembly / Packing / Sorting

ASSEMBLY LINE WORKSTATION

- Integrated workstation with conveyor
- Suitable for continuous production
- Customizable layout and size
- Option for single or multiple stations
- Ideal for assembly, testing and quality inspection

FRAME	Aluminium Profile / MS
CONVEYOR TYPE	Belt / Roller
SIZE	Customizable
TABLE TOP	SS / MS / Laminate
FINISH	Anodized / Powder Coated

CUSTOM DIMENSIONS | MULTIPLE MATERIAL OPTIONS | COLOUR VARIANTS | INTEGRATED SOLUTIONS | EASY INSTALLATION | DURABLE & RELIABLE

COMPONENTS FOR OEMS

Laser-cut, CNC-bent, welded and powder-coated enclosures and parts, built to your drawing.

FMCG | TELECOM & IT | ELECTRIC VEHICLES | AUTOMOBILES | POWER | DEFENCE

BATTERY BOX

- Custom sizes and designs
- Metal (MS / Aluminium)
- Powder coated finish
- Suitable for EV and industrial use

APPLICATION	Electric Vehicles
MATERIAL	MS / Aluminium
FINISH	Powder Coated

OUTDOOR CABINET

- Weatherproof (IP rated)
- Ventilation and cooling options
- Outdoor use for telecom & IT
- Custom dimensions

APPLICATION	Telecom & IT
MATERIAL	MS / Aluminium
FINISH	Powder Coated

INDOOR CABINET

- Compact and modular design
- For IT / telecom equipment
- Multiple size options
- Proper cable management

APPLICATION	Telecom & IT
MATERIAL	MS / Aluminium
FINISH	Powder Coated

ELECTRICAL PANEL BOX

- Custom panel enclosures
- Suitable for power distribution
- Cut-outs as per drawing
- Strong and durable structure

APPLICATION	Power
MATERIAL	MS / GI / Aluminium
FINISH	Powder Coated

FIXTURE & CHASSIS

- Custom fixtures and jigs
- CNC cut and welded structure
- High strength and precision
- As per sample or drawing

APPLICATION	Automobiles
MATERIAL	MS / Mild Steel
FINISH	Powder Coated

INDUSTRIAL UPS CABINET

- Heavy-duty enclosure
- Ventilation and cooling
- Suitable for UPS systems
- Custom size and configuration

APPLICATION	UPS / Power
MATERIAL	MS / Aluminium
FINISH	Powder Coated

SMALL UPS CABINET

- Compact and cost-effective
- Suitable for small UPS systems
- Custom cut-outs and branding
- Robust and durable

APPLICATION	UPS / IT
MATERIAL	MS / Aluminium
FINISH	Powder Coated

NETWORK RACK

- 19" standard rack mounting
- Cable management options
- Lockable and secure
- Multiple height and depth options

APPLICATION	IT / Data Centre
MATERIAL	MS / Aluminium
FINISH	Powder Coated

SERVER RACK

- Heavy-duty server rack
- Cooling and ventilation options
- Lockable front and rear doors
- Custom height, width and depth

APPLICATION	IT / Data Centre
MATERIAL	MS / Aluminium
FINISH	Powder Coated

WALL-MOUNT RACK

- Space saving design
- Wall mounted installation
- Suitable for IT and networking
- Lockable and sturdy

APPLICATION	IT / Networking
MATERIAL	MS / Aluminium
FINISH	Powder Coated

CNC BENDING IN-HOUSE

- Precision CNC bending
- Complex shapes and designs
- High accuracy and consistency
- In-house manufacturing

CAPACITY	Up to 3,000 mm
MATERIAL	MS / SS / Aluminium
FINISH	As per requirement

BUILT TO YOUR DRAWING.

- Share a drawing or sample
- We laser-cut, bend, weld and powder coat in-house
- Multiple material options
- Custom sizes and finishes
- From single part to bulk production

CUSTOM DIMENSIONS | MULTIPLE MATERIAL OPTIONS | PRECISION MANUFACTURING | COLOUR VARIANTS | DURABLE & RELIABLE

PANELS & QUALITY

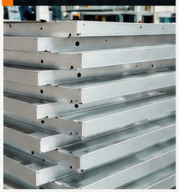
Plain, stiffened, perforated and louvered panels in CR, GI and powder-coated finishes.

VARIETY OF PANEL TYPES | **MULTIPLE FINISHES** | **HIGH STRENGTH** | **CUSTOM SIZES & THICKNESSES**

PLAIN PANEL

- Flat and smooth surface
- Available in CR, GI & powder coated
- Custom sizes and thicknesses
- Wide application across industries

STIFFENED PANEL



- High rigidity and strength
- Pre-engineered stiffeners
- Available in multiple materials
- Custom design as per drawing

POWDER-COATED PANEL

- Durable powder-coated finish
- Wide range of colour options
- Corrosion and scratch resistant
- Suitable for indoor and outdoor use

GI PANEL

- Galvanised finish for corrosion resistance
- Suitable for industrial and outdoor use
- Available in plain or stiffened design
- Custom sizes as per requirement

PERFORATED PANEL

- Precision CNC perforation
- Multiple hole patterns and sizes
- Suitable for ventilation and design
- Available in CR, GI and powder coated

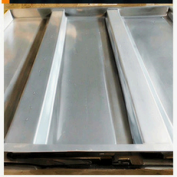
PERFORATED PANEL

- Various perforation patterns
- Custom hole shapes and sizes
- Excellent strength and finish
- Multiple material options

LOUVERED PANEL

- Enhanced ventilation and airflow
- Strong and durable construction
- Custom louver designs
- Suitable for electrical and HVAC applications

PANEL WITH STIFFENER



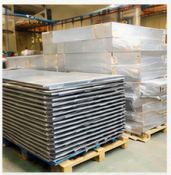
- Integrated stiffener for strength
- Customised design as per drawing
- Available in multiple thicknesses
- Powder coated / GI / CR options

QUALITY YOU CAN MEASURE

Every coated batch is checked for dry film thickness (DFT) before dispatch, and packed on pallets to reach you damage-free.

- DFT measurement
- Consistent coating thickness
- Scratch and corrosion resistance
- Safe packing and delivery

PACKED ON PALLETS



READY FOR DISPATCH

PREMIUM MATERIALS | PRECISION MANUFACTURING | MULTIPLE PANEL OPTIONS | QUALITY INSPECTION | CUSTOM SIZES & FINISHES | DURABLE & RELIABLE

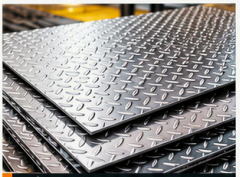
MS & SS SUPPLY, PAN INDIA

Through our trading units and group company, we supply quality-checked steel across India, with 24-hour dispatch on stock items.

- QUALITY CHECKED
- READY STOCK
- 24-HOUR DISPATCH
- PAN INDIA SUPPLY

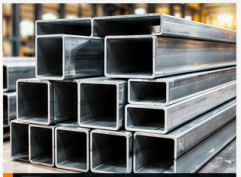
HR / CR COILS

- Hot Rolled (HR) & Cold Rolled (CR)
- Multiple grades and thickness
- Suitable for fabrication and industrial applications
- Available in MS and SS



CHEQUERED PLATES

- High-quality chequered patterns
- Multiple thickness and sizes
- Excellent strength and durability
- Available in MS and SS



SQUARE & RECTANGULAR TUBES

- Wide range of sizes
- IS standard materials
- Used in structures and fabrication
- Available in MS and SS

PIPES

- Seamless and welded pipes
- Various diameters and thickness
- Industrial, structural and process use
- Available in MS and SS

ANGLES

- Equal and unequal angles
- Multiple sizes and thickness
- Used in fabrication and structures
- Available in MS and SS

CHANNELS

- Standard IS grade channels
- Multiple sizes and thickness
- Strong and durable
- Available in MS and SS

WIDE RANGE OF PRODUCTS | QUALITY ASSURANCE | LARGE STOCK AVAILABILITY | FAST & RELIABLE DISPATCH | PAN INDIA SUPPLY

MAJESTIC AR TECHNOLOGY PVT. LTD.

Where Innovation Meets Precision

SINCE 2015

A journey of quality, innovation and trusted partnerships.

TRUSTED BY INDUSTRY LEADERS

Valued customehips across logistics, e-commerce, food service, railways, power and manufactturing.

MATERIALS THAT KEEP INDIA MOVING

- QUALITY SUPPLY
- LONG-TERM PARTNERSHIPS
- PAN-INDIA DELIVERY
- SERVING LEADING BRANDS

OUR VALUED CLIENTS

Powering businesses across India with quality materials and reliable supply.

- Amazon
- Zepto
- SIBS Logistics
- Delhivery
- Yusen Logistics
- Kuehne+Nagel
- Exicom
- Raylo Power
- Railway Entities
- Domino's
- Popeyes
- Wires & Cables
- Tata Steel
- SAIL (Steel Authority of India Limited)
- Apollo
- & MANY MORE

PAN INDIA CONNECTION

Supplying quality steel to every corner of India.

28+ STATES & UT

500+ CITIES & TOWNS

24-HOUR DISPATCH

INDUSTRIES WE SERVE

Customised steel solutions for a wide range of industries across India.

MAJESTIC AR TECHNOLOGY PVT. LTD.

Where Innovation Meets Precision

SINCE 2015

A journey of quality, innovation and trusted partnerships.

PROCESS

HOW WE WORK

One team from first drawing to final installation, so nothing gets lost between vendors.

01 REQUIREMENT

Share item size, loads, drawings or a floor plan.

02 DESIGN

Our in-house team prepares the layout and drawings.

03 APPROVAL

You review and approve the design and quote.

04 MANUFACTURING

Cut, formed, welded and powder-coated in-house.

05 QUALITY & DISPATCH

DFT-checked, pallet-packed and dispatched.

06 INSTALL & SUPPORT

Installation guidance and after-sales service.

START A PROJECT

SEND US YOUR LAYOUT. WE'LL SEND BACK A SOLUTION.

WhatsApp your floor plan, drawing or requirement to **+91 97300070778** or email **md@majesticar.com**.

MAJESTIC AR
TECHNOLOGY PVT LTD

STEEL SOLUTIONS | STORAGE SYSTEMS | CUSTOM FABRICATION

LET'S BUILD YOUR NEXT FACILITY.

From concept to completion, we provide customised steel solutions for a stronger and smarter tomorrow.
